- Made in the UK from imported and local ingredients.
- Free from artificial flavourings, colours and preservatives.
- Made with free-range eggs.

Organoleptic standards:

Appearance

Steamed long-grain rice with well-separated grains and a light, even coating of vegetable oil. Pale golden colour from scrambled egg, with visible pieces of egg distributed throughout. Bright green peas and softened diced onions evenly mixed. Product is free from excessive browning, scorching, or oil pooling.

Aroma

Mild, savoury aroma with characteristic cooked egg notes. Gentle onion and garlic aromas supported by subtle ginger undertones. Clean and balanced with no sulphurous, burnt, or stale odours.

Flavour

Lightly seasoned with a savoury egg-forward flavour. Mild sweetness from peas and onions, balanced with gentle garlic and ginger notes. Salt level is moderate and well balanced, with no bitterness or overpowering seasoning.

Texture / Mouthfeel

Rice grains are tender and fluffy with good separation and minimal stickiness. Scrambled egg is soft and moist without rubbery texture. Peas retain slight bite; onions are soft and well-integrated. Overall mouthfeel is moist but not greasy.

Quality & Compliance

Production and Quality Assurance

Product is positively released after completion of thermal processing and meeting acceptance criteria.

Regulatory Compliance

Manufactured in accordance with Good Manufacturing Practice and compliant with EU Regulation 178/2002 and all applicable UK/EU food safety legislation.
