Product Specification

Food Safety Data Sheet

We guarantee that this product complies with national and European legislation, with particular reference to the special legislations applicable to the specific product area. In particular, the product is marketed in compliance with Regulation (EC) No 1881/2006 setting maximum levels for certain contaminants in foodstuffs, Regulation (EC) No 396/2005 on maximum levels of pesticide residues in foodstuffs and Regulation (EC) 834/2007 on the production and labeling of organic products. The traceability of the raw material from the finished product to the raw material delivery is guaranteed according to Regulation (EC) No 1830/2003 and Regulation (EC) No 178/2002. All packaging and packaging materials in which our products are supplied are suitable for food and comply with Regulation (EC) No 1935/2004.

GMO Statement

This product does not contain genetically modified organisms! According to our knowledge and the statements of our suppliers we can confirm that the product does not contain GMO in accordance with the regulations 258/97/EC and does not contain GMO in accordance with the regulations 258/97/EC, 1829/2003/EC and 1830/2003/EC and therefore does not need a labelling according to these regulations.

Allergen statement

No traces of allergen

Azo-dye

This product does not contain Azo-dyes.

Irradiation

This product does not contain components that have been exposed to irradiation. (Ultraviolet and ionised rays)

This declaration of conformity is valid for 3 years after issuing. In light of significant amendments, this declaration of conformity becomes invalid. This declaration is valid without signature.

All statements made in this document are based on the current state of science and technology.
