Terms and Conditions

It is warranted that:

- The foodstuff, packaging and label (as appropriate) conform with all relevant UK and EU legal requirements at the time of supply.
- The customer will be notified of any changes to the specification, including any changes to the status of manufacturing sites, e.g. BRC accreditation or allergens handled on site.
- The product is prepared, processed, packaged and handled under strict hygiene conditions consistent with the principles of good manufacturing practice.
- The contents of this specification are confidential and should not be disclosed to a third party without prior approval.
- Materials are transported in clean vehicles of a high standard suitable for transportation of food. They are free from infestation and contamination and provide appropriate temperature conditions.
