Production

Oat grains are cleaned, steamed and processed to flakes.

Product Information

Oats are real power grains because they are a valuable source of protein and rich in dietary fibers. Since the whole grain is processed into flakes, all the nutrients from the germ and the outer layers are preserved. These oat flakes are therefore 100% whole grain. They are also used in the original Rapunzel mueslis. We use only domestic cereal flakes in best organic quality. Flakes can be used to quickly and easily prepare many delicious meals.

Usage

Ideal for all do-it-yourself enthusiasts. Delicious in sweet as well as savory dishes: in muesli, porridge, bread. Muffins, cookies, cereal bars and desserts. Hearty patties, burgers, soups, casseroles, toppings and much more.

Particularities

cultivated in Europe

Packaging

PE-PET-Foil

Storage

Store in a cool and dry place.

Recipe

Enjoy with cold milk or a vegetable substitute for milk. Add to your muesli or make a warm porridge with milk, water or vegetable drink: bring to a boil, simmer stirring continuously until it thickens and let stand a few minutes. Oats are also ideal for baking and cooking.

Legal product designation

Whole grain oat flakes
