Consumer Information

Cook from frozen.

Fryer: Max. 175°C, portion approx. 500g, 3 min.

Appliances may vary; the above methods of preparation are guidelines only.

Legal & other Requirements

Statement of contaminants	
	Aviko declares that all products produced and supplied by Aviko comply with regulation (EU) 2023/915, setting maximum levels for certain unwanted components.
Weight registration e-symbol	
	Aviko's standard procedure for packing of products/units is based upon average weight (e-symbol). For specific countries with relevant legislation, the procedure for packed products/units is based upon nominal weight.
Definition of defect units	

	Defect-units: sum of points for all pieces with minor, major and gross defects for a sample of 1000g. Minor defect (dark 3-6mm): 1 point Major defect (dark 6-15mm): 2 points Gross defect (dark >15mm): 3 points
GMO Statement	
	Hereby Aviko declares that none of our products, produced, packed, delivered and sold are genetically modified. None of the ingredients contain any genetically modified organism. No biotechnology or processing agents produced by means of gentechonology have been used during production. The product complies with the European non-GMO regulation (EG) nr. 1829/2003 and 1830/2003.
Sampling	
	In case of arbitration a lot is judged by taking a lot sample, per packaging. Normally, max. one lot sample is taken per two pallets. One lot consists of several pallets of at least 2 different shift dates. The lot samples are being mixed to one compilation sample. From this compilation sample a sample of 1 kg is taken to judge the quality.
Quality Management Systems	
	The production location where this article is being produced, has a quality management system that is certified to a GFSI recognised scheme. In case of a BRC certification at least B grade is required, for an IFS certification at least Foundation Level.
Pesticides statement	

	Aviko declares that pesticides residues in products supplied by Aviko are according to regulation (EU) 396/2005 and its amendment regulation (EU)310/2011.
Disclaimer other products	
	This specification is based on the moving average, with the help of methods of analysis from Aviko laboratories.
