GMO	This bar does not contain GMO based soy and/or maize derived ingredients and/or GMO based food additives or flavours and is therefore not subject to mandatory labelling such as required EU legislation 1829/2003/EC and 1830/2003/EC.				
Irradiation:	This bar does not contain ingredients that are irradiated and fully complies with EU legislation 1999/2/EC with amendments.				
Heavy metals:	This bar complies with the level of heavy metals in EU legislation 1881/2006/EC with amendments.				
Pesticides:	This bar complies with the EU-regulations 396/2005/EC with amendments regarding any trace or left over pesticides.				
BSE/TSE:	This is to certify that this bar complies with all relevant current EU Legislative requirements in regard to Transmissible Spongiform Encephalopathies (TSE) and Bovine Spongiform Encephalopathy (BSE) for human food, and so is free of TSE/BSE. This is also to certify that, during the course of their manufacture, the abovementioned bar did not come into contact with any materials, which could be derived from TSE/BSE risk materials.				

WADA statement:	This is to certify that this bar, whole or in part, has not come into contact with any product/s, which is banned by the IOC (International Olympics Committee) and or WADA.
NANO Technology:	This is to certify that unless otherwise stated, the above-mentioned bar is free of nanoparticles. Commission Recommendation 2011/696/EC, defines as follows: "'Nanomaterial' means a natural, incidental or manufactured material containing particles, in an unbound state or as an aggregate or as an agglomerate and where, for 50 % or more of the particles in the number size distribution, one or more external dimensions is in the size range 1 nm - 100 nm".
Packaging statement:	All primary packaging for this bar is Food Proof according EU Regulation 10/2011/EC with amendments and 1935/2004/EC with amendments.
e-sign regulation:	Our Manufacture is producing all individual bars according e-system. The estimated sign (e- sign) indicates that the packaging is filled according to the European Directive 76/211/EC (amended by 2007/45/EC).
Nutritional values:	Calculated values are mentioned in the specification, based on values described in the raw material specifications. For vitamins and minerals, only the guaranteed values are used for the calculation.
Halal Certification	This product is Halal certified.
Traceability:	Each bar is individually coded with a lot code, which guarantees a full traceability.
